1. Upon the death of a member/client, the rights of the proxy holder at VdFS in relation to the deceased automatically expire!
In the event of the death of a member/client, please inform VdFS immediately at office@vdfs.at!
2. If the representation between the proxy holder and the beneficiary is terminated, please inform VdFS immediately at office@vdfs.at! The rights of the proxy holder and the associated access and information rights in relation to VdFS are automatically terminated.
3. From mid 2025 on, all powers of attorney submitted to VdFS must be updated annually. You will receive an e-mail notification with an update link one month before expiry. A valid power of attorney as well as a copy of a valid ID of the member/client must be stored there to keep up the validity.
4. The powers of attorney submitted to VdFS must be hand-signed and must clearly indicate the type of authorization for which the power of attorney was issued (read or read & write authorization) and whether it is a collection power of attorney. Otherwise, VdFS cannot accept the power of attorney and take it into account.
